5. Search Form

The screenshot shows a web application window titled "Search Page". It features a navigation bar with links: "Quick Homes", "Home", "Login", "Register", "About Us", and "Contact". On the left side, there is a vertical list of search filters, each with a "Selection..." dropdown menu: "State", "District", "Location", "Property Type", "Rent Preference", "Bed", "Bath", "Furnishing", and "Amenities". Below these filters is a "Search" button. The main content area displays a grid of six placeholder boxes, each labeled "Image+Details", arranged in two rows of three.

6. Booking Form

The screenshot shows a web application window titled "Booking Form". It features a navigation bar with links: "Quick Homes", "Home", "About Us", "Contact", "Search", and "Logout". The main content area displays a grid of six placeholder boxes, each labeled "Images & Ddetails". Each box contains a "Book" button at the bottom, arranged in two rows of three.

7. Payment Form

A screenshot of a web browser window titled "Payment". The window has a blue title bar with standard minimize, maximize, and close buttons. The main content area has a light beige background. At the top, there is a navigation bar with links: "Quick Homes", "Home", "About Us", "Contact", and "Logout". Below the navigation bar, there are four input fields for payment information, each with a label to its left: "Card Number", "Name on Card", "Date", and "CVV". Each input field is a simple white rectangle with a thin black border. Below these fields, centered horizontally, is a grey button with the text "Proceed".
